Anti Fog Sun Shading Half Face Motorcycle Helmet Visor

As the professional manufacture, we would like to provide you high quality Anti Fog Sun Shading Half Face Motorcycle Helmet Visor. And we will offer you the best after-sale service and timely delivery.

Anti Fog Sun Shading Half Face Motorcycle Helmet Visor

Outstanding Optical Clarity:

The visor is made with high quality injection-molded polycarbonate shield. It has great optical clarity with lower distortion. It will not make you feel dizzy.

Comprehensive Protection:

Protect your eyes and face from strong wind, sunlight, bugs, dust and debris while riding.

UV Protection:

The visor can protect riders from the sun's damaging UVA and UVB rays.

Anti-fog Coating:

With anti-fog coating, the visor can effectively keep your sight clear and give you a better view in a rainy or foggy day, which protects your driving safety.

Scratch and abrasion resistant

Multiple Color:

clear/tinted/chromed (mirror/revo)

Customization:

We can customize any size and shape for you.
